Ein Tanz für das Leben

A DANCE FOR LIFE: A charity night for ME/CFS

Dear ball guests, dear colleagues!

We are delighted to welcome you to the 73rd Vienna Medical Doctors' Ball. In 2025, we will not only celebrate life, but also the 200th anniversary of Johann Strauss. To mark the start of this special year, artist Oliver Feistmantl has created a special tribute to this occasion, with an artistic interpretation of Johann Strauss as an ostrich. This humorous depiction pays tribute to the composer in a truly unique way and explores a lesser-known side of Strauss' personality - his love of caricatures. For this reason, Adele and Johann Strauss personally invite you to a dance this year: A dance for life.

A DANCE FOR LIFE

The motto of this year's Doctors' Ball is "A dance for life - a charity night for ME/CFS". In 2025, we are supporting all those who need to find their way back to life. A motto that is also reflected in our magnificent Opening Ceremony which features a special dance performance. Let us surprise and inspire you.

A CHARITY NIGHT FOR ME/CFS

The Vienna Medical Doctors' Ball is traditionally known for its charity character. Every year, the entire profits from the Vienna Medical Doctors' Ball are donated to a specific charity organization. 2025, all profits will go to the WE&ME Foundation, which is dedicated to research into ME/CFS (myalgic encephalomyelitis/chronic fatigue syndrome) and the well-being of those affected. The WE&ME Foundation, formally known as the TEMPI Foundation, was founded in 2020 by the Ströck family and is located in Vienna. The Ströck family's journey has been profoundly influenced by the impact of ME/CFS and has shaped the nature and purpose of the WE&ME Foundation with unwavering determination.

ME/CFS is a severe multi-systemic disease that often occurs after a viral infection such as Epstein-Barr virus, Sars-CoV-2, herpes viruses or influenza viruses. The work of the WE&ME Foundation is invaluable for the people affected as well as their families.

DANCING FOR A GOOD CAUSE

At the ball, you will find many ways to support a good cause while also enjoying an exciting ball program. Have your caricature drawn, take photos in our photo box or enjoy an ice cream - all for a free donation. In our ever popular "Casino for a good cause" you will have the chance to win great prizes while supporting a good cause. For those in a puzzle mood, don't forget to buy a donation lottery ticket to take part in our exciting "Who am I?" competition and the chance to win one of the great main prizes. You will also find a clue or two as you stroll through the grand rooms of the Hofburg.

THERE IS PLENTY TO DISCOVER!

Come and enjoy an memorable evening together - in the spirit of music and charity, for health and for life!

We wish you a sparkling ball night!

Oliver Feistmantl | Acrylic on canvas | 100x100cm | 2024

Vienna-based artist Oliver Feistmantl experiments with acrylic, spray cans and stencils on canvas. His works unite lightness and simplicity, often in large-scale wall paintings, and thus creates humorous scenes that make up the 'Oliversum'. His artworks are an appeal to smile, an escape to the beauty of life, far away from darkness and destruction. His interpretation of Johann Strauss as an ostrich not only frames our grand staircase, you can also take a piece of the artwork home with your ball donation.
